06 August 2018

For the attention of the Owner/Occupier

Dear Sir/Madam

A64 Bramham to Askham Bar central barrier renewal – Road Works Update

We are writing to advise that the central reserve barrier replacement works are nearing completion. As such we are writing to provide you with further details of upcoming planned road closures in the final phase.

Week commencing Monday 13 August there will be overnight (8pm to 6am) road closures to remove all speed enforcement cameras. If everything goes as programmed and weather permitting, the following closures will be in place:

Wednesday 15 August: eastbound closure between A1(M) and Askham Bryan

Thursday 16 August: eastbound closure between Askham Bryan and Askham Bar followed by westbound closure between Askham Bar and Askham Bryan

Friday 17 August: westbound closure between Askham Bryan and A1(M)

Every effort has been made to ensure disruption to traffic and residents is kept to a minimum, but there will inevitably be some noise and disruption generated by these works, and for that we apologise in advance. Where excessively noisy operations are unavoidable we will endeavour to complete these before 11 pm.

Our road workers frequently work in situations which are both unpleasant and dangerous and we would kindly ask that you treat them with the respect you would wish to be treated with while they are working in your area. If you do have a problem with the work, or would like to discuss any aspect of this scheme, or require any further information please in the first instance contact Highways England via their information line 0300 123 5000 or email info@highwaysengland.co.uk.

Yours faithfully

A handwritten signature in black ink, appearing to read 'K Gaunt', is written over a light blue horizontal line.
