

EAST OF SCHOLES PLANNING APPLICATION

The Barwick in Elmet and Scholes Parish Council is delighted to confirm that the Appeal to Planning Application 17/08451/OT to build 300 houses on land known as The East of Scholes PAS Site has been dismissed by the Planning Inspectorate.

The PC acknowledges the amount of work, time and effort put into forming our objections to the appeal in particular Councillors Phil Maude, who lead our objection to the application, Stella Walsh, Howard Bedford and Claire Hassell, who all submitted evidence and resident James Buckley who provided vital evidence regarding the safety of the Rakehill Road/Station Road junction.

The PC would also like to thank Scholes resident George Hall who gave valuable evidence at the hearing and SOS for the publicity and support they provided. It was truly a team effort.
