Two New Councillors for BARWICK

Elaine JEFFERS...

Moved to Barwick in 1983 with parents, then to Garforth after marriage and back to Barwick for schooling of two young sons, quickly becoming involved in village and school activities as Chair of PTA, then a Governor and Chair of Governors.

Elaine has worked in the Health Service for over 30 years, firstly in Pharmacy then as Head of Cancer Services at York Hospital and more recently as Director at Barnsley Hospital. With family having grown up, although still at home she feels the time is right to get involved in local affairs, and to use the skills and knowledge she has developed both personally and professionally for the benefit of our Parish.

Julie BURROW...

Aged 49 Julie is Leeds born and bred and moved to Barwick in 2005 with her partner Steve after 20 years in Bramham. Julie, a housing professional, has four adult children and works as Yorkshire Area Manager for Accent Group, a leading housing provider, previously having worked in private sector housing. She is a bit of a foodie, enjoys walking, gardening and is a member of the Steering Group for the Neighbourhood Development Plan. Julie's motivation for joining the Parish Council is the desire to make a positive contribution to the village community and help preserve its unique character and history whilst making it fit for the future.
