1. Apologies for absence. Cllrs. Howard Bedford, Stella Walsh, Dan Greenwood, Anthony Beardsley (Pavilion User)
2. The Minutes of the meeting of the 7<sup>th</sup> July were unanimously accepted and signed as being a true record.
3. It was noted that improvements to the pavilion including the installation of a new electric warm air curtain heater and electric water heater would be completed in early September. It was also noted that vertical blinds had been fitted to the entrance and that Shadwell Junior footballers would be using the pavilion changing rooms from September.  
LCC planning had been contacted and confirmed that a planning application would be required for the erection of car park lighting.
4. The 'Vision for the Future' open event on the 22<sup>nd</sup> August would be manned by various members of the committee and that posters and display boards had been obtained.
