Purpose of the meeting was to secure a contractor to cut the grass on the field this was planned at short notice due to the field growing at a fast rate and we needed to cut to reduce the thatch that would be left on the field if the grass cut was left to grow long, this was an informal meeting with no notice posted only emails sent to the committee.

3 invitations had been sent out to contractors by the Clerk with a return date of 30th April.

We received 2 tenders by this date

2 ATM 1721.25+Vat

3 Barry failed to supply quote

Meeting held in the field to adhere to social distancing regulations and we discussed the received quotes , it was decided we would utilise DAvid A Dales at a cost of 1375.00 + VAT and immediate instructions would be sent via the Clerk to proceed with the works.
