Please see workshop write up attached.

220201 Breakout &  
Action Plan.docx

**Action:** Let Kate know if you would like to be part of a subgroup driving this forward in this LCP. Proposing first meeting to take place in week commencing 21<sup>st</sup> Feb.

**Action:** Look over action plan to see if you have any, or if you'd like to add to this before this being taken on by the subgroup.

Idea would be to action what we can as per above plan, to get us in line with Seacroft LCP, and then join forces as a cross LCP subgroup.

### Asset Mapping

A request to continue to add to the Cross Gates [asset list](#) or email [Kate.frost4@nhs.net](mailto:Kate.frost4@nhs.net), especially for any assets to support our priorities of Dementia, Carers and Breast Feeding.

### East Leeds Extension

David updated the LCP that a meeting was held recently at Swarcliffe Community Hall to present an update on the East Leeds Extension to the community. This update didn't include any information the subgroup were not already aware of, but they did share some pictures of the development and energy efficiency information.

Background information can be found here: <https://www.leeds.gov.uk/parking-roads-and-travel/east-leeds-extension/east-leeds-extension-overview>

Any further updates will be shared as the subgroup find out. The next subgroup meeting is on the 9<sup>th</sup> February. If you would like to be part of this group, with the remit of considering how health and care services can be planned for the increased population of East Leeds this development will bring, please let [dayle.lynch@leeds.gov.uk](mailto:dayle.lynch@leeds.gov.uk) know.

### Linking Leeds

Chloe Smith joined the LCP today, as the new locality manager for Linking Leeds. She will be attending in place of Amber who has left the organisation. Her email is [chloe.smith@commlinks.co.uk](mailto:chloe.smith@commlinks.co.uk)

Please see attached the Linking Leeds Newsletter for this month.
